

OUR MISSION

To play a vital role in helping each child realize his/her academic potential

OUR GOAL

At Creative Study Concepts, we provide students with an accelerated enrichment education. We teach students how to apply and transfer knowledge, as well as encourage creative thinking.

OUR KEY STRENGTHS

- Teaching by experienced, NIE trained teachers and authors
- Challenging and comprehensive teaching materials in accordance with MOE syllabus
- Emphasis on conceptual understanding and development of critical thinking skills
- Proven track record of past students' outstanding performance
- Fostering positive group dynamics in small group lessons
- Regular parental feedback on child's progress

Enrich your child's holidays...

INTENSIVE WRITING PROGRAMMES

Our star courses

Composition Writing Workshops (Primary 4, 5 & 6)

Dates: Nov 21-29, Nov 30-Dec 8, Dec 9 - 17
Fees: Pr 4 (\$200/\$180*) Pr 5 (\$220/\$200*) Pr 6 (\$250/\$220*)

A comprehensive 8-session programme designed to teach your child essential writing skills to transform mediocre compositions to impressive ones. Each lesson targets at teaching your child a specific writing skill to help your child write more creatively and effectively.

By the end of this workshop, your child will learn to:

- write impressive introductions and conclusions
- plan and develop interesting story-plots
- use specific skills such as setting of the scene/mood
- bring life to characters through characterization
- generate and expand on ideas to improve on content

Creative Writing & Comprehension Workshops (Pre-primary 1, Primary 2 & 3)

Dates: Nov 21-29, Dec 5 - 13
Fees: Pr 1 (\$150/\$120*) Pr 2 (\$160/\$140*) Pr 3 (\$180/\$160*)

This 5-session programme aims to nurture pupils' writing skills through fun-filled, thematic-based units. Each session covers unique, interactive activities, centred on developing comprehension and writing skills.

By the end of this workshop, your child will learn to:

- write more effectively and creatively
- use appropriate and better vocabulary
- expand on ideas and develop interesting story-plots

*Discounted for students enrolled in other workshops.

MATHEMATICS PROGRAMMES for UPPER PRIMARY

Maths Problem-solving Workshop (Primary 4, 5 & 6)

Pr 4: Nov 21-25, Dec 12-16 Fees: \$120
Pr 5: Nov 21-29, Nov 30-Dec 8, Dec 9 - 17 Fees: \$220
Pr 6: Nov 21-29, Nov 30-Dec 8, Dec 9-17 Fees: \$250

This intensive preparatory workshop aims to give pupils a headstart to the next level's coursework. Pupils will be exposed to higher-order challenging word problems. We emphasize on the part-whole model approach to problem-solving and also teach critical thinking sums.

The following topics will be covered:

- Primary 4: Whole Numbers, Fractions, Length, Weight, Area & Perimeter, Factors & Multiples
- Primary 5: Whole Numbers, Fractions, Decimals, Area & Perimeter, Order of Operations
- Primary 6: Whole Numbers, Ratios, Percentages, Fractions, Decimal, Algebra

NOV/DEC HOLIDAY ENRICHMENT PROGRAMMES

Hands-on Science Workshops (Pr 3, 4 & 5)

Pr 3: Nov 28 - Dec 2 Fees: \$120
Pr 4: Nov 28 - Dec 2 Dec 12-16 Fees: \$130
Pr 5: Nov 28 - Dec 2 Dec 12-16 Fees: \$140

These 5-session workshops aim to give pupils a clearer conceptual understanding of topics taught at previous levels. We provide a comprehensive review of main topics covered in Primary 3, 4 and 5. Hands-on experiments will be conducted to help pupils understand and reinforce concepts. We will also provide well-detailed notes to consolidate scientific knowledge. Recommended for new pupils who need guidance at answering process skills questions.

Introduction to English Literature Workshop (Pre-secondary 1)

Dates: Dec 1-9 Fees: \$215

This is an 8-session English Literature appreciation workshop designed to give fresh Secondary 1 pupils an overview of this unfamiliar subject. Suitable for post-PSLE students moving on to Secondary 1, who would like a headstart in learning and understanding the various aspects of English Literature.

Chinese Creative Writing & Comprehension Workshop (Primary 2 to 6)

Dates: Nov 21-25, Dec 5-9
Fees: Pr 2/Pr 3 (\$100) Pr 4/Pr 5 (\$120) Pr 6 (\$120)

An intensive 5-session programme designed to strengthen pupils' writing skills. Through fun-filled, interactive activities, we teach pupils the correct constructs of writing. We help pupils write more fluently by focusing on content, language and vocabulary. Suitable for pupils who need to improve their fluency in writing.

Chinese Oral Communication & Reading Workshop (K2 to Pr 6)

Dates: Nov 28- Dec 2, Dec 12-16
Fees: K2/Pr 1 (\$80) Pr 2/Pr 3 (\$80)
Pr 4/Pr 5 (\$90) Pr 6 (\$100)

This programme aims to give pupils an appreciation of the Chinese Language and help them gain better understanding and command of communication skills.

By the end of the programme, your child will learn to:

- communicate confidently in Chinese
- use better communication skills
- adopt correct speech and pronunciation
- read analytically to answer inferential comprehension questions
